NOTABLE ACHIEVEMENTS

- Rebranded SaaS solutions for JABMO, contributing to 25% market share growth.
- Designed integrated digital and print campaigns that increased retail sales by 30%.
- Reduced creative production lead time by 35% through AI-assisted workflows and process optimization.
- Built integrated advertising strategies that strengthened brand visibility across digital and traditional channels.

PROFESSIONAL EXPERIENCE

Amazon - SCK8 Fulfillment Center, Oakley, CA | Learning Ambassador / POC / PIT Operator | Nov 2025 - Present

- Selected as a Learning Ambassador and Point of Contact (POC), supporting associate training, coaching, onboarding, huddles, and operational execution.
- Operate PIT equipment across inbound and outbound workflows while maintaining Amazon safety, quality, and productivity standards.
- Support floor leadership with workflow coordination, associate guidance, standard-work reinforcement, and real-time operational problem solving.
- Identify process inefficiencies and recommend improvements to pallet staging, corral organization, material flow, and shift handoffs.
- Develop practical process-improvement concepts focused on reducing handling time, improving safety, and increasing operational efficiency.
- Partner with Process Assistants, Area Managers, Learning teams, and associates to resolve workflow constraints and reinforce safe, consistent execution.
- Recognized for productivity, accountability, safety awareness, and willingness to assume additional leadership responsibilities.

Walmart - Tracy, CA | Front End Team Lead | Jan 2025 - Nov 2025

- Led frontline customer experience and supervised a large cashier team in a high-volume retail environment.
- Oversaw front-end execution including checkout, self-checkout, customer service, and money-services workflows.
- Partnered with store leadership on service standards, customer journeys, operational execution, and brand consistency across POS and in-store communication.

ATL LLC (Aman Truck Lines) - USA | Social Media & Brand Manager | Apr 2023 - Feb 2024

- Led 360-degree digital brand campaigns across social, web, CRM, and paid channels.
- Designed brand identity systems, creative guidelines, sales collateral, and integrated marketing communications.
- Optimized content and campaign execution using AI tools and analytics platforms.

JABMO - USA - Global B2B MarTech Platform | Senior Creative Design Team Lead | 2018 - 2023

- Led a global creative team delivering enterprise digital campaigns and account-based marketing creative.
- Introduced AI-assisted workflows that reduced creative lead times and improved production efficiency.
- Aligned creative output with product, marketing, sales, and data teams.

La Vallee des Couleurs - Nature Park, Mauritius | Media & Communications Manager | 2016 - 2018

- Directed creative strategy, media, communications, and experiential marketing campaigns.
- Designed brand environments, promotional materials, and visitor communications.

Vision 7 Group - Mauritius - Fashion Retail Stores | Marketing Manager | 2014 - 2016

- Led marketing, branding, and advertising for garment and non-garment retail operations.
- Prepared and deployed marketing and media plans across multiple fashion outlets; led digital awareness campaigns and weekly footfall analysis.
- Conducted sales and product training for showroom managers, managed media and agency relationships, and monitored competitors and market trends.

McCann Redhouse - Mauritius - Advertising Agency | Senior Designer | 2010 - 2014

- Delivered branding, advertising, and integrated campaigns for FMCG and consumer brands.

Grey Worldwide - Mauritius - Advertising Agency | Multimedia Manager | 2007 - 2010

- Produced interactive media, digital brand content, and multimedia campaign assets.

Diadeis - Mauritius - Global Packaging & Brand Production | Team Leader | 2003 - 2007

- Led packaging and brand-production workflows, including production management for Kraft Foods France.
